

CURRICULAM VITAE

E-mail: dasirinaidu@gmail.com

Mobile: 8106492793

Dr. D ASIRINAIDU

OBJECTIVE:

Aspiring to contribute to and lead academic excellence as a Professor in a reputed and progressive educational organization, leveraging my extensive experience in teaching, research, academic administration, curriculum development, and institutional development.

PROFESSIONAL EXPERIENCE: 21 years of experience (7 yrs Industry+14yrs Teaching & Research)

1. Workin as a Assistant Professor (Adhoc) in the Department of Mechanical Engineering, NATIONAL INSTITUTE OF TECHNOLOGY–ANDHRA PRADESH (NIT-AP), Tadepalligudem,
Aug 2026 to till date.

2. Worked as a Assoc. Professor & HOD and I/c R/D Cell, in the Department of Mechanical Engineering, MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS, Bhogapuram,
May 2023 to July 2026.

3. Research Scholar (Ph.D., Full-Time) & Guest Faculty – Mechanical Engineering
A.U. College of Engineering & A.U. College of Engineering for Women, Andhra University, Visakhapatnam
October 2015 – October 2022.

4. Worked as a Asst. Professor in the Department of Mechanical Engineering, ADITYA INSTITUTE OF TECHNOLOGY AND MANAGEMENT (AITAM), Tekkali,
July 2013 to September 2015.

5. Worked as a Asst. Professor in the Department of Mechanical Engineering, GUDLAVALLERU ENGINEERING COLLEGE, Gudlavalleru, Krishna Dist.,
Feb 2012- Sep 2012.

6. Worked as a Associate at AVINEON INDIA PVT LTD., Hi-tech city, Hyderabad
August 2008 to February 2011

7. Worked as a CAD Engineer at INFOTECH ENTERPRISES. Madhaphur, Hi-tech city, Hyderabad
Oct 2004 to July 2008

Professional body: M-156866-8 (MIE -Member of Institution of Engineers)

Google Scholar: Citations (20) h-index (4) i10-index (2)

ACCEDEMIC & ADMINISTRATION:

Head of the Department Mechanical Engineering (HoD) Dec 2023-Till date):

- * Administration conducted workshops/FDP/Industrial Visits.
- * Placements provided in Ramtech Hyderabad, Wheels India, Chennai, Hero MotoCorp, Sricity, KIA Ananthpur.
- * In the month of March 2026, 15 students are selected for TVS Company Chennai with a package of 2.4L.CTC.
- * Crew meeting with staff for admissions.
- * After Taking HoD admissions are increased for first year, then lateral entry students joined.
- * Obtained permission and visited Synergy Casting India Pvt. Ltd. and MSME for academic/industrial interaction.
- * Coordinated with the HR departments of HBL Batteries and Sam Piston India Pvt. Ltd. to obtain necessary permissions and successfully conducted industrial visits for students.
- * Organized a Digital Summit in collaboration with Miracle Software Systems in the year 2024.
- * Successfully organized job fairs at Miracle Engineering College in association with the AP Skill Development Corporation (APSSDC), providing employment opportunities for students and job seekers
- * Organized a Digital Summit in collaboration with Miracle Software Systems in the year 2025.

R & Cell Incharge: (Additional Incharge)

- * Coordinated and submitted the proposal for the ATAL VAANI Program on Quantum Technology, acting as the Program Coordinator.
- * An induction program can help the students to meet and interact with all senior students, faculty and administrative staff.
- * Socializing -- Meeting the senior students, office people, Faculty and Eminent faculty
- * Associations -- Visit to all departments, Library, Computer centers, Research centers, Laboratories, Communication skill lab, Governance -- Rules and Regulations, Code of Conduct, e-Governance etc.,
- * Experiencing – Course Lectures, Skills, Human values, creating and Performing Arts, Literary, physical activities, various clubs, and Women empowerment cell for girl students
- * To create zeal among the students towards research and innovation
- * To work closely with the industrial needs that eventually will result in new or improved products, processes, systems or services that can increase the company's productivity

- * Implementation, follow-up, progress and monitoring of on-going projects.
- * To assist in matters related to collaborative research with other agencies.

IQAC Cell Incharge: (Additional Incharge)

- * Registered staff and students in the RNIT Face Recognition System (FRS) through the Higher Leap App.
- * Applied For NIRF-2025, NAAC, NBA, Awareness NEP {National Educational policy),
- * MOU with Different Public and Private Organizations Such as MSMEs Duvvada, Visakhapatnam.
- * MOU with Different Public and Private Organizations Such Indian Biomedical Skill Consortium (IBSC) Executive Skill development activities in the Medical Device Sector.
- * career guidance cell, Professional societies etc.,

1. Institution Innovation Council

Institutions is registered as the member of Institution's Innovation Council (IIC) of Ministry of Education (MoE) in collaboration with AICTE to systematically foster the culture of innovation and start- up ecosystem in the Institute. Primary role is to engage large number of faculty, students and staff in various innovation and entrepreneurship related activities.

2. Skill development through APSCHE and EDU Skills

The Skill development Cell has been conducting different Student and faculty Workshops to improve the knowledge and skill. It is associated with APSCHE and EDU Skills,

3. Teaching Learning process

Outcome Based Education IQAC has been insisting all the departments to implement the innovative teaching methodologies like Participatory Learning, Experiential Learning, Flipped/Blended Learning, and Project based Learning

4. Feedback System:

IQAC has been collecting the Curriculum Feedback from Stakeholders and Academic Feedback from Students. The Curriculum Feedback from stakeholders like students, teachers, employers, alumni collected for each academic year with a proper questionnaire

Exam Cell In charge for conducting, Evaluation and Posting (6months)

- * As a controller of examination release of Time table academic time table.
- * Post the Internal and External Marks in BeeS software.
- * Conducting the Autonomous and JNTU university exams as per schedule.

- * Preparing power point presentation for academic council meetings with result analysis .
- * Uploading marks UG Marks into the NAD portal data and the student can able to down load their marks as a proof from Digi locker.

BOOKS & BOOK CHAPTER PUBLICATIONS:

1. Dr Dunga Asirinaidu published a book on “INDUSTY 4.0 AND SMART MANUFACTURING as single author. ISBN 978-81-686953-6-8, ELBEE GLOBAL PUBLISHERS, published on 11-06-2026.

ACADEMIC DETAILS:

Educational Qualification	Board/Univ.	Year of passing	Division	Percentage
PhD (Mechanical Engineering)	Andhra university (Full Time)	Awarded Feb 2024		
M.Tech (Thermal Engineering)	Aditya Institute of Technology and Management (AITAM)/JNTUK	June 2014	First class with Distinction	70.14 %
M.B.A (Finance. & Marketing)	Andhra University (Distance Mode)	Aug 2008	Second	58.67%
B.E (Mechanical Engg.,)	S.R.K.R Engineering College /A.U	Aug 2004	First	68.61%
Intermediate (MPC)	Board of inter mediate education	April 1998	First	79.00%
S.S.C	Board of Secondary education	March 1996	First	67.17%

SOFTWARE'S:

Drafting, Design, Analysis and Manufacturing: AUTO CAD, UNIGRAPHICS, SOLID WORKS, and CNC MACHINING (SIEMENS).

Design and Analysis: ANSYS (ICEM CFD, CFD Fluent), COMSOL MULTI PHYSICS.

Programming languages: MATLAB, Phyton, SAP (ABAP)

Automation: PLC (PROGRAMMABLE LOGIC CONTROLLER), Lab View.

Materials Characterization and Analysis: X' Pert High Score Plus (Pananalytcs),

EQUIPMENTS OPERATED:

FE-SEM (Field Emission Scanning Electron Microscopy”

AFM- Atomic Force Microscopy

STM-Scanning Tunnel Electron Microscopy up to a resolution of 1nm.

UTM-10Ton-STS(Star Testing Systems with Computer Operated)

STS-CREEP Testing Machine

UV-VIS-Spectroscopy

ED-Wire EDM-Electric Discharge Wire EDM

CNC, Lathe and Milling Machine with Siemens Software.

NPTEL SWAYAM COURSES:

- 1. A Joy of Learning Python Programming**
- 2. Internet of Things (IOT)**

JOURNALS PUBLISHED:

8. AI driven Machine Learning intelligence system with strong network security for financial tracking and analysis in the corporate or banking sector

CONFERANCES:

9. Asirinaidu Dunga, Ramji Koon, and S.V. Naidu “Experimental Thermal conductivity of Al₂O₃(90%)-MWCNT (10%) base fluid as EG -Water mixture”. (ICAMSE-2020), Organized Department of Physics Bannari Amman Institute of Technology, Sathyamangalam, during 11-12 September 2020. (Conference)
10. Asirinaidu Dunga, Ramji Koon, and S.V. Naidu, “Experimental Investigation of Rheological Behavior of (90:10) aluminium oxide and Multiwalled carbon nanotubes dispersants in the mixture of (80:20) water and Ethylene glycol hybrid nanofluid”. (ICRAME-2020) from 26-28 February 2020 in the department of Mechanical Engineering, Andhra University College of Engineering (A), Visakhapatnam-530003, Andhra Pradesh, INDIA.

PATENTS PUBLISHED:

1. Dr D Asirinaidu published a patent A Fire Tube Boiler Design and Thermal Analysis Method Using CAD Modeling and Finite Element Simulation for Material Performance Comparison.

RESEARCH PROJECTS:

- Working as Research Assistant under the project “**Challenges of Nanotechnology for 21st Century Generation-Indian Perspective in Global Scenario**”.
Role and Responsibility: Working as Research Assistant
Stipend: 25,000/- (Twenty-five thousand rupees only)
- Applied a project for HPCL Visakhapatnam, “**Design the need of Radiator test rig for Nano fluid Heat transfer testing**”.

PROJECTS GUIDED:

Post Graduate (M.Tech) : 05

1. **Title of the Project:** “Experimental Investigation of Heat transfer rate of Nano fluids using a Shell and Tube Heat exchanger”

Role and Responsibilities: Co-guide, Suggestion on Synthesis of Al_2O_3 Nanomaterial through Sol-Gel Technique.

Graduate (B.Tech) : 06

1. **Title of the Project:** “Autonomous Delivery Robot”

Role and Responsibilities: Guide, Analysis, Mathematical Calculation and Report English Correction.

2. **Title of the Project:** “Design and analysis of spur gear”

Role and Responsibilities: Guide, Analyzing the machining forces on gear tooth profile using CATIA software.

3. **Title of the Project:** “Design and analysis of radial arm used in drilling machine”

Role and Responsibilities: Guide, Report reading and suggest the required corrections.

4. **Title of the Project:** “Experimental investigation of different machinability parameters of EN-31 steel by turning operation”

Role and Responsibilities: Guide, the machining forces calculation.

5. **Title of the Project:** “Experimental Evaluation in the Properties of Various Tin Bronzes”

Role and Responsibilities: Guide, Report proof reading and Corrections.

6. **Title of the Project:** “Automatic speed control of the hydraulic turbine”

Role and Responsibilities: Guide, Analysis, Report reading and evaluation.

SUBJECTS EXPERTISE:

Under Graduate (BE/B.Tech) Teaching

Subjects:

- Basic Thermodynamics
- Advanced Thermodynamics-I
- Fluid Mechanics & Machinery
- Advanced Thermodynamics-II
- Heat and Mass Transfer
- Refrigeration & Airconditioning
- Automobile Engineering
- Renewable Energy Technologies
- Engineering Drawing
- Basic Mechanical Engineering (BCME)
- Machine Drawing
- Metal Cutting & Machine Tools
- Metallurgy & Material Science
- Design of Machine Members-I
- Design of Machine Members-II
- Finite Element Methods
- Mechanical Measurements Instrumentation

Laboratory:

- Heat and Mass Transfer Lab
- Thermal Engineering Lab
- Fluid mechanics and Machines Lab
- Drafting and Modeling Lab
- MAT Lab
- Mechanics of Solids Lab
- Mechanical Engineering Lab
- Manufacturing Technology Lab-I
- Manufacturing Technology Lab-II
- Engineering Mechanics
- Work shop Technology
- Fuels Lab
- Dynamics Lab
- Computer Aided Engineering
- Drawing Practice
- CAE&CAM Lab
- CNC & Robotics & Drone Technology
- CFD Lab

Post Graduate (M.Tech)

Subjects Taught:

- Advanced Fluid Mechanics
- Renewable Energy Sources
- Introduction to Nanotechnology
- Carbon Nanotube Science and Technology
- Nanofluids Science and Technology
- Fuel Cell Technology
- Nanomaterials for Solar Energy and Photovoltaics
- Nanotechnology Intellectual Property Rights

Laboratory (PG)

- Thermo fluids Lab
- Computer Aided Modelling and Simulation
- Synthesis and Characterization of Nanomaterials Lab

PROFESSIONAL REVIEWING SERVICES

- **Reviewer** for Engineering Applications of Computational Fluid Mechanics
- **Reviewer** for Journal of Nanofluids

ACHIEVEMENTS, PRESENT/ ORGANIZATION OF WORKSHOPS:

- As a Coordinator organized a one day Webinar “EBRACING THE AI REVOLUTION: SKILLS EVERY FUTURE ENGINEER NEEDS on 12th June 2026. Jointly Organized by Department of CSE, AI & DS and MCA.
- As a Convener organized a one day workshop Advanced Technologies In Core Engineering (ATICE-2025) 22nd October 2024. Jointly Organized by Department of Civil & Mechanical engineering and Department of Civil Engineering”
- Due to the Energy Week December 14-20th Dec, as a HoD invited the Industry person Mr T Srinivas, GM given awareness program on 23 Dec 2024” Energy Conservations Methods” to our students and Faculty.
- As a Convener organized a “Faculty Development program on 12-13th Dec 2024. “Engineering Drawing and Auto Cad modelling-(EADM-2024) organized by Department of Mechanical engineering and Department of Civil Engineering”
- Conducted A Two Day National Work Shop on “Utilizing Non-Destructive Testing (NDT) Techniques Across Industrial Sectors: Enhancing Quality Control and Safety Measures. Organised by Department of Mechanical ENGINEERING MIRACLE EDUCATIONAL SOCIETY GROUP OF INSTITUTIONS in association with RVS Globe, held on 19th & 20th March 2024.
- Got Certificate of Appreciation has acted as resource person and deliver a lecture at the training programme of Naval Dockyard, Visakhapatnam (Ministry of Defence) officials during 7th -10th august 2017, held at AUCE(A), Andhra University.
- Got Best Presentation award in the CoE-TEQUIP-II Conclave on “Research Excellence through Collaboration” held at College of Technology, G.B Pant University of Ag.& Technology, Pantnagar from October 06-08,2016.
- Got Certificate of Appreciation in Centre for Nanotechnology for delivering a lecture at three Days National Level Workshop on “NanoFluid Applications for Heat Transfer and Energy Systems & Simulation using CFD-2016”, held at Andhra University.
- Got Certificate of Appreciation for organizing three-day national workshop on “Nano Fluid Applications for Heat Transfer and Energy Systems & Simulation Using CFD-2016(NFAHTES-2016)” held during 27th to 29th September 2016 at centre for Nanotechnology, AUCE (A).
- Got Certificate of Appreciation for Organizing two day national workshop on “NANO MATERIAL FOR ENERGY APPLICATIONS (NMEA-2017)” held on 23rd and 24th march, 2017, Organized by centre for nanotechnology, A.U. College of Engineering (A).

- Certificate of Appreciation for conducting village survey at Pedanandipalli village, Devarapalli mandal, Visakhapatnam as a part of social responsibility by taking an initiative to propose a nanotechnology solution for the identified problems.

WORKS SHOPS/FDPS/SKILL DEVELOPMENT PROGRAM ATTENDED:

One week to Three days:

- Dr D Asirinaidu, participated in the 6 Days online FDP on Green Hydrogen and Advanced Flexi-Fuel Technologies for Future mobility organised by Department of Mechanical Engineering, Sasi Institute of Technology & Engineering, Tadepalligudem from 25-05-2026 to 30-05-2026.
- Dr D Asirinaidu, participation off-line Three-Day workshop AICTE-VAANI Faculty Development Programme (FDP) on “Hydrogen Energy in Indian Languages: Awareness and Innovation at Department of Mechanical Engineering, Avanthi Institute of Engineering and Technology (Autonomous), Vizianagaram from 09-11-2025 to 11-11-2025.
- Dr D Asirinaidu, participation offline One week Awareness/Training program under ALL INDIAN COUNCIL FOR TECHNICAL EDUCATION (AICTE) training and Learning (ATAL) Faculty Development program on Empowering Innovators with Progressive Design Thinking Approach at Dadi Institute of Engineering and Technology from 30-06-2025 to 05-07-2025
- Dr D Asirinaidu,, participated in one day Yogandhra 2K25 program held on June 21st at Visakhapatnam Beach road.
- Dr D Asirinaidu, participation in the One Week Online Faculty Development Program (FDP) on “Innovations in AI, ML and IOT in Engineering trends and Future Perspectives” organised by the Department of Mechanical Engineering GMR Institute of Technology, Rajam, in collaboration with the Department of Mechanical Engineering, Siddhartha Academy of Higher Education-Deemed to be university, Vijayawada, from 2th to 6 th jun 2025.
- Dr D Asirinaidu, participated in the One week Awareness/Training program under ALL INDIAN COUNCIL FOR TECHNICAL EDUCATION (AICTE) Training and Learning (ATAL) Faculty Development program on Empowering Innovators smart manufacturing through Advanced Human Robot Collaboration and Digital technologies: A Step towards Vikasit Bharath at Lendi Institute of Engineering and Technology from 15-09-2025 to 20-09-2025.

- Attend for AITAL FDP “Transformative Technologies in Manufacturing: Faculty Development Program on Industry 4.0, Advanced Materials, and Intelligent Systems ” Jan 27th 2024-1st Feb, 2025
- Attend for AITAL FDP “Navigating the Green Revolution: Integrating Electric Vehicles and Hydrogen Fuel technologies for Sustainable mobility” Feb 3-8th, 2025.
- Attend for AITAL FDP “Emerging trends and technologies in Renewable energy for Sustainable Development” Feb 10-15th , 2025
- Attend for AITAL FDP “Design Thinking for Healthcare Innovation” Feb 17-22nd, 2025
- Attend for AITAL FDP “Emerging Trends in Information System Security using AI & Data Science for Next-Generation Cyber Analytics ” Dec 30th 2024-4th Jan, 2025
- Attend for AITAL FDP “Nanomaterials and Semiconductor ” Jan 6-11, 2025
- Attend for AITAL FDP “Smart Farming: Role of Technology in millets Production” Jan 13-18, 2025
- Attend for AITAL FDP “AI-driven Innovations: Transforming Core Engineering Disciplines” Jan 20-25, 2025
- Attended a Digital Summit -2024, Organised by Miracle software systems and AP Cloud Miracle City Bhogapuram. From Dec 18-20, 2024.
- Attend for AITAL FDP “Energy, Sustainability & Climate Change” Dec 2-7, 2024
- Attend for AITAL FDP “Manufacturing & Industry 4.0” Dec 23-28, 2024
- Has completed One Week Faculty Development Programme on " Fundamentals of Machine Learning and Deep Learning", from 25th September to 29th September, 2023 successfully. Organized by the NITTTR Kolkata.
- Has completed One Week Faculty Development Programme on " Refresher Course on Fluid Mechanics", from 11th September to 15th September, 2023 successfully. Organized by the NITTTR Kolkata.
- Has completed One Week Faculty Development Programme on " Bio-Medical Engineering", from 24th July to 28th July, 2023 successfully. Organized by the NITTTR Kolkata.
- Participated the One Week Online FDP on "Integrating Autodesk Fusion -360 in Engineering” , held from 26th June - 01st July 2023, and making it a huge success. Organized by the Lendi Institute of engineering and Technology in association with Autodesk.

- Has completed One Week Faculty Development Programme on " Introduction to Machine Learning and Deep Learning", from 27th March to 31st March, 2023 successfully. Organized by the NITTTR Kolkata.
- Participated ICT Online FDP on " Fundamentals of Technology Enabled Learning ", held from 20th - 24th February 2023, Organized by the NITTTR Kolkata.
- Participated in one week online International FDP on "Trends and challenges in the development of Electrical vehicles and Hybrid electrical vehicles (series2)" held from 14th - 18th, November 2022 organized by the Department of Mechanical Engineering.
- Participated in All India Council for Technical Education (AICTE) sponsored One-week online Short-Term Training Program (STTP) on " Mastering Self-Motivation and Attitude-Art of Living", Phase-II during 27th-31st December 2021 organized by Department of Electrical Engineering, AU College of Engineering (A), Andhra University.
- Participated in Two Week Online International Faculty Development Programme on “RECENT ADVANCES IN MATERIALS AND CHALLENGES IN MANUFACTURING TECHNIQUES” Organized by Department of Mechanical Engineering, University College of Engineering Kakinada (A), JNTUK, Kakinada held during 07th Feb- 19th Feb 2022.
- Participation in the "Applications of Vibration and Heat Transfer in Mechanical Engineering (AVHTME-2021)" Short Term Course (Under NEP-2020) organized by the Department of Mechanical Engineering, NIT Manipur from 27th to 31st October 2021.
- Participated the One Week Online FDP on "Learning through Virtual Labs for Technical Institution", held from 18th - 22nd October 2021, and making it a huge success. Organized by the Lendi Institute of engineering and Technology in association with National Institute of Technology Karnataka, Surathkal.
- One-Week Faculty Development Program on “Modern Research Trends in mechanical Engineering”, Jointly Organized by Mechanical Engineering of BHILAI Institute of Technology, Durg, Chhattisgarh, India, In Collaboration with WOLLO UNIVERSITY-KOMBOLCHA Institute of Technology, Ethiopia from 21-6-2021 to 25-6-2021.
- Participated in TEQIP-III sponsored one week online short-term course on Multi-Scale Computational Fluid Dynamics: Fundamentals and Applications" from Sept 21-25, 2020.
- Successfully completed Turning Numerical Control Programming course conducted at Andhra University college of Engineering (A), Visakhapatnam from 14-05-2018 to 18-05-2018 by SEMENS.

- Participated in One Week Short Term Course on “Fuel cell Technoly-2015” (FCT-2015). Organized by Andhra University, Visakhapatnam held during 6th to 10th April 2015.
- Participated in five day faculty development program on “Advances and Applications of composites, nano materials and nanofluids” held at AITAM, Tekkali, during 17th -21st December 2015.
- Participated in three day national workshop on “Nano Fluid Applications for Heat Transfer and Energy Systems & Simulation Using CFD-2016(NFAHTES-2016)” held during 27th to 29th September 2016 at centre for Nanotechnology, AUCE (A).
- Participated in the “ Seminar on Smart Sensors and Systems” held during 8th -10th december, 2015, Organized by Department of Instrument Technology, A.U. College of Engineering (A), Visakhapatnam.
- ESCI, The Institution of Engineers(India) “TEQIP-II Sponsored Training on Entrepreneurship Development” conducted at AU College of engineering(A), Andhra University from 16-18 December 2015 being initiated by SPFU(AP).
- Participated in One Week work shop on “Polymer and polymer Nano- Composites processing-2016” organised by R.V College of engineering, Bangalore, Karnataka held during 27th June to 2nd July 2016.
- Participated in Three day national “Nanotechnology Research Conclave” held at Centre for nanotechnology, A.U. College of Engineering (A), during 29th to 31st March-2017.
- Participated in the three day International Symposium on SOCIAL BUSINESS FOR SUSTAINABLE DEVELOPMENT (SBSD-2017), Organized by the Andhra University, in association with Yunus Centre, Dhaka, Bangladesh.
- Participated in One Week Basic Course on ANSYS CFD, conducted by ANSYS Authorized Channel Partner in association with AU COLLEGE OF ENGINEERING, Visakhapatnam.
- Participated in One Week National Level Short Term Course on “System Modelling, Simulation and Advanced Optimization Tools For Nanotechnology Applications- 2016”(SASTA-2016) held during 19th to 24th September 2016.
- Participated and presented in the Conclave on Research Excellence through Collaboration held at G B Pant University of Agriculture & Technology, Pantnagar from 06th to 08th October, 2016.
- Participated in the International workshop on “Desalination (InDACon-2016)” held during 29th-31st January 2016 at AU college of engineering(A), Visakhapatnam, A.P India
- Participated in “Training Programme on SPSS: Hands on experience” from 19th - 21st September 2014 at AITAM, Tekkali.

- Participated in three day faculty development program “ Engineering Drawing” from 22-24th November , 2011. Gudlavalleru Engineering college (GEC), Gudlavalleru.

Two days and One day Workshops:

- Dr D Asirinaidu, Participated in one day FDP “Innovative Teaching Pedagogy & Skill component of NEP” organised by RJMCC & AP-CS (Digital Forensic Science and Cyber Security), March 1st , 2025
- Attended a two day work shop on on “Design Thinking and Innovation” during 3-4th Dec 2024
- Attended a work shop on Drone Technology (Air-Taxi) organized by India Space Labs 10th Nov 2024.
- Attending the workshop Meshing of Automatic Hood for structural Analysis using ANSA organized by Skill Lync on 20th April 2023.
- Attending the boot camp on CFD analysis of IC engines using CONVERGE software. organized by Skill Lync on 05th April 2023.
- Participation in the on "36th National convention of mechanical engineers on the theme innovations in thermal science and engineering" organized by The Institution of Engineers (India) on 05th -6th December 2021.
- Certificate Overview of Optimum Rheology for Paints, Inks and Coatings held by Netzsch on Feb11, 2021
- Successfully completed Two day FDP on “ Novel Materials in Engineering” conducted by Raghu engineering college on 4th and 5th June 2020.
- Attended a webinar on “ Nanofluid Applications in Engineering” organized by the Department of mechanical engineering, Vishnu Institute of Technology, Bhimavaram on 01-06-2020
- Participated in International Webinar Series on “ Nano Magnetism” presented by Dr. Bernat Bozzo Closas and Dr. N. Ponpandian organized by Department of Science & Humanities, Vel Tech High Tech Dr. Rangarajan and Dr. Sakunthala Engineering college Chennai, during 22-23rd June 2020
- Essentials of Academic Research Tools in Paper Writing “ Organized by The Department of ECE and R&D on 8th July 2021, PACE IIC.
- Participated in National workshop on “ ANVANCES IN MECHANICAL ENGINEERING” conducted on 11th March, 2019 in Department of Mechanical Engineering, AUCE(A), Andhra University, Visakhapatnam.

- Participated in the International workshop on “Innovative & Sustainable Waste Water Treatment” held during 25th-26th February 2016 organized by AU college of engineering(A), Visakhapatnam, A.P India in association AP Pollution control board, Rotary international, Naperville, USA.
- Participated in the “ Seminar on Smart Sensors and Systems” held during 9th October, 2015, Organized by Department of Instrument Technology, A.U. College of Engineering (A), Visakhapatnam.
- Participated in a one day national workshop on “Multiscale, Nano and Smart composites” held on 30th December, 2015, Organized by Centre for nanotechnology, A.U. College of Engineering (A), Visakhapatnam.
- Participated in two day national seminar on “Computational Fluid Dynamics Applications in Process industries: Recent Developments 2k16” held at GMR Institute of Technology, during 15th - 16th April 2016.
- Participated in two day workshop on “mechanical testing and materials engineering” held at Rajiv Gandhi University of Knowledge Technologies, Basar, Telangana State, during 14th and 15th march 2016.
- Participated in two day national workshop on “ Advances & Nanomaterials and Thermal barrier coatings for transport and Energy applications (AVMTTEA-2017)” held on 27th and 28th January, 2017, Organized by Centre for nanotechnology, A.U. College of Engineering (A), Visakhapatnam.
- Participated in one day national workshop on “Latest trends in Thin Film technologies- 2016 (TFT-2016)” on 29th March-2016, held at centre for Nanotechnology, AUCE (A).
- Participated in two day National Workshop on “NANO MATERIAL FOR ENERGY APPLICATIONS (NMEA-2017)” held on 23rd and 24th march, 2017, Organized by centre for nanotechnology, A.U. College of Engineering (A).
- Participated in two day National Workshop on “Nanocomposite Thermal Barrier Coatings Techniques and Simulation using CFD Applications on Gas Turbine” held on 13th and 14th Feb, 2017, Organized by centre for nanotechnology, A.U. College of Engineering (A).
- Participated in one day national workshop on “A REVIEW ON HEAT TRANSFER” on 30th June-2017, held at Department of Mechanical engineering, AUCE(A), Visakhapatnam.
- Participated in one day national workshop on “COLLABORATIVE RESEARCH AND FUNDING OPPORTUNITIES IN POWER ENGINEERING” held at Department of Electrical Engineering, AUCE (A), on 23rd December 2016.

- Participated in two day national workshop on “Thin Film Coatings and Nano Electronics (TFCNE-2017)” during 24th and 25th January-2017, held at centre for Nanotechnology, AUCE (A).
- Participated in a workshop on “User Awareness program on J-GATE@e-ss” during 23rd and 24th October-2017, held Andhra University.
- Participated in two day national workshop on “Thin Film Coatings and Nano Electronics (TFCNE-2017)” during 24th and 25th January-2017, held at centre for Nanotechnology, AUCE (A).
- Participated in workshop on “Work shop on intellectual property rights: Challenges & opportunities for startu3ps)” held on 30th January 2016, AU college of engineering(A), Andhra University.
- Participated in one day symposium on “Innovation and Digitization in india” held on 11th January 2017, AU college of engineering(A), Andhra University.
- Participated in one day workshop on “NBA: Outcome Based Education” on 19th December 2016, AU college of engineering(A), Andhra University.
- Participated in two day seminar “Twenty first century, the drawn of digital Era: Pedagogical Issues of Technical Teachers” on 15th & 16th November, 2014 at AITAM, Tekkali.
- Participated in TEQIP sponsored two day International workshop on “Applications of CFD in Heat transfer and Fluid flow” organized by the department of mechanical engineering, NIT, Tiruchirapalli during 09-10th January, 2014.
- Participated in two day faculty development program on “New Horizons in Mechanical Engineering” held during 22nd & 23rd March 2013 at AITAM, Tekkali.
- Participated in two day national level faculty development program on “Computational fluid Dynamics and its Applications” held during 30th -31st March 2012 at AITAM, Tekkali.
- Participated in two day seminar on “Application of finite element methods in engineering” on 8th & 9th July, 2011. Gudlavalleru Engineering, college (GEC), Gudlavalleru.

PROJECT IN DOCTORIAL DEGREE PhD:

Title: Experimental and numerical analysis of forced convective heat transfer using hybrid nanofluids in a circular tube with Inserts.

Description: “Experimental And Numerical Analysis Of Forced Convective Heat Transfer Using Hybrid Nanofluids In A Circular Tube With Inserts.”

Guides: Prof Kona Ramji, Department of Mechanical Engineering (Guide), Prof S.V Naidu, Department of Chemical Engineering, Andhra University (Co-Guide).

Journal Published: Two SCI and One ESCI(Wos)

Present Status: **Awarded February 2024.**

PROJECT IN MASTERS DEGREE (M.Tech):

Title: Steady State Thermal Analysis of a Friction Stir Welded Stringer panel of an Air Craft Wing.

Description : The main aim of this Thesis is to find the temperature distribution of the stringer panel at the friction stir weld zone and also the maximum lifecycles are calculated. We are calculated the maximum lifecycles at different rotational speeds of the tool and which rotational speed gives better lifecycles

PROJECT IN MASTERS IN BUSINESS ADMINISTRATION DEGREE (M.B.A):

Title: Promotion of PVC pipes with brand name NANDI pipes

Role Individual.

Description: The main aim of this Thesis is to promote the sales of Sujala PVC pipes with the brand name called NANDI, mainly highlights the 4P's concept in sales.

PROJECT IN BACHELOR DEGREE (B.E):

Title : Study and Statistical analysis of Heat Recovery Steam Generator.

Team Size : Five Members.

Description : The main aim of this project is how the power out put of the steam turbine can be affected by the input parameters. The major effecting variable can be maintained under normal working condition for better outputs.

PERSONAL PROFILE:

Name : **DUNGA ASIRINAIDU**

Father's Name : D. Surayya

Date of Birth : 10th January, 1980

Languages Known : Telugu, English & Hindi

Nationality : Indian

Religion : Hindu

Permanent Address : Jilleduvalasa (Vill),
Jaduru (Post),
Polaki (M.D),
Srikakulam (Dist).-532421.

Address for Communication : D.No: 2-15-47
Sector -9
M.V.P Colony
Visakhapatnam-530017

Yours faithfully

Place:

Date: **(Dr. D. ASIRINAIDU)**
